FULLDAY SIGHTSEEING TOUR :

Art & Scenic Tour to Kintamani

Duration: 8 1/2 hours (8.30 am - 4.00 pm)

Travel from palm-fringed shores to towering volcanoes, encompassing a cross-selection of the entire island of Bali. Enroute to the mountain district of Kintamani, with its volcanic caldera and crater lake, browse in the artisan's villages of Celuk for intricate gold and silver works, Kemenuh for woodcarving and Mas-Ubud for paintings. We will continue our visit to Bedulu to see the Elephant Cave, but the real highlight of the day is Kintamani, perched dramatically on top the crater rim of one our volcanoes: Mount Batur, and from there you have a magnificent & breathtaking view of the crater, lake, lava flows and volcanic peaks. Lunch will be a delicious Indonesian buffet at the Kintamani Restaurant at your own cost. On the way round, we will also try to take you off the beaten track to show you some of Bali's beautiful countryside & terraced rice field.

ADVENTURE TOURS :

Land Cruises - Journey to the Secret Soul of Bali

Duration: 9 hours 30 minutes (8.00 am - 5.30 pm)

Here you will have the opportunity of experiencing the heart and soul of this 'Island of the Gods' and to visit places hidden far away from the hustle and bustle of the Bali you have already seen.

- Travel by legendary Land Rover over grassy tracks through terraced rice fields and untouched rain forests to the real heart of Bali.
- See a traditional gubuk farmhouse made of mud bricks and discover the fragrant spices which first attracted the early European explorers to these "Spice Islands".
- Taste the locally grown tea or coffee in the quiet of the Balinese hinterland. Perhaps to meet the brilliant blue king fisher, the sacred bird of Bali.
- Experience some of the most spectacular scenery on earth, with centuries-old rice terraces cut into the sides of steep hills, their colours emerald green or golden yellow depending on the season.

- See a hot mineral spring where the Balinese have bathed for centuries and explore an ancient quarry where stones are still cut by traditional methods to build the temples and shrines of the island.
- Relax and enjoy a delicious lunch in the cool and comfort of the Rain Forest Camp, high in the mountains and deep in a forest of giant bamboo.
